

Our Mission

We understand that quality care and respect come first and foremost. With senior citizens living longer, healthier lives today, residences which provide services to seniors need to evolve. Caregiving families want the gold standard in care and services for their loved ones.

Our goal is to care for people's physical, emotional and spiritual needs. A ministry of the Lutheran Church, we strive to treat people with the care and concern taught by the Judeo-Christian traditions we uphold. Although Lutheran is in our name, people of all faiths can call us home. We are happy to serve people of all faith traditions in our residences and programs.

Assisted Living

The Hudson Valley Senior Residence is for seniors who need assistance with some aspects of daily life, but wish to live as independently as possible. We are proud of our conscientious staff who adhere to the philosophy of “we care *about* you as well as *for* you” - and we have a very low staff turnover rate which helps to ensure continuity of care. Residents receive delicious home cooked meals with attention paid to special diets and personal likes as well as evening snacks and refreshments at social events.

The Hudson Valley Senior Residence helps to bridge the gap between living at home and living in a nursing home. We encourage independent living - but offer services that make sure all the needs of life are taken care of. A full calendar of supervised daily activities helps to encourage socialization and keep residents active and healthy. A beauty shop and barber are on site, and other services include dining room meal service, housekeeping, linen changes, and personal laundry services.

We serve as liaison with each resident’s personal physician to ensure and arrange for proper medical treatments when necessary. We provide medication supervision, and monitor and refill prescription medications in a timely manner. Physician and podiatry services are available on site.

We also offer supervised showering in the privacy of one’s own room and assistance with dressing when necessary.

Our History

The Hudson Valley Senior Residence was established on Green Street in Uptown Kingston in 1919. The residence at its present location on Washington Avenue was built in 1929. It has been modernized to accommodate the needs of today’s elderly population.

TLCN History

The Lutheran Care Network (TLCN) is a ministry of healing, hospitality and community through partnerships in caring. TLCN is a Recognized Social Ministry Organization of both the Evangelical Church in America (www.ELCA.org) and the Lutheran Church/Missouri Synod (www.lcms.org) The organization was established more than 135 years ago. It serves all individuals, regardless of religious or ethnic background, offering compassionate care through a growing network of skilled nursing care homes, adult day care programs, independent housing, and community housing.

Our Building

The residence offers 39 private rooms, each with a private bath, resident care and activity areas in a charming, home-like setting preserving the grace and elegance first created by those who built the Hudson Valley Senior Residence.

At Hudson Valley Senior Residence, we believe you can live an active, social, and full life at any age. Many of our residents come to us after living alone, and find new friends and new, fun activities to fill their day.

Located in a residential neighborhood in beautiful Kingston, NY, we are close to uptown businesses, restaurants, churches and medical facilities. Our elegant surroundings are reminiscent of a comfortable lifestyle, with beautifully decorated common areas for residents to mingle and socialize, and fully carpeted private rooms which provide a warm and quiet atmosphere.

There are spacious recreational areas where activities take place on a regular basis, and smaller intimate leisure areas away from the hustle and bustle of residence life, which are especially good for card games, conversation or reading.

The grounds include beautiful gardens, tended to by many of the residents, which offer an excellent place to stroll thru or sit in while visiting with family or friends, as well as a great place for fresh air while reading or enjoying some quiet time.

You'll find us easily as we're located less than two miles from New York State Thruway Exit 19, in Kingston, NY - the heart of Ulster County, and the Gateway to the Catskills. And when you find us - you'll find seniors living an active, fun, and fulfilling lifestyle.
